Dear Mrs. Cox

Received your letter of inquiry and  
am sorry I cant be of any help to  
you my husband son of Ben F. Cox  
knew very little about his Cox  
ancestors, he never saw his grand-  
mother Cox, and knew very little about  
his grandfather John J. Cox he said  
he lived around with his children  
my husband's father Ben died when  
we had been married only a short time.

He had one Aunt that lived at Event  
Texas who has one daughter Lula  
and if any one in his family  
could help you it would  
be her. Her address is  
Mrs. Lula Hamilton

Event Texas.

I have a friend who is  
tracing this family tree  
and she tells me he has found

more information at the building  
in Ft. Worth than from any  
other place he has tried, he is  
tracing the "Wall" family  
tree.

I would like to know more  
about the family tree myself.

would appreciate any thing you  
deign myself.

sorry we could not give any  
information of value
