Les

I was looking through an old Bible that my Dad had given to me, and I do not Remember having looked at it before. But I am sending you some copies of items I found in it. It is New Testament only.

There are some notations in it but they are not readable. I have enclosed a copy of one page that is readable. Please look at note about my Dad giving me the Bible. There was an old valentine post card in the Bible , but there was no writing on it.

I was wondering if Brandywine Crucible Inc. would be interested in having it. If so please let me know, because I do not think any of my family would want it.

I am also sending Ladean a copy of this too. I am still trying to get some other info gathered up from Gladys Cox family, have some, but need more. Will send all the info as soon as I get it all together. Thanks for being understanding . I get bits of info but not all I want at one time.
