IMPORTANT IN COUNTY DEVELOPMENT

Reproduction by Moren

The above picture, taken from a small tin-type, shows the Cox family which has played an important part in the development of Livingston County.

The men are Isom Cox and Abel Cox. Isom Cox and his father built the Cox Cabin three miles north of Chillicothe on the premises where the first county court was held in Livingston County. On the left, in the front row, is Elizabeth Cox, wife of Isom. Mrs. Mary Lyle, sister of the Cox boys, is the other figure.
