Friday 5/3/85 I went with Moma + Dad down to Rosa Lee + Allen + Bobbie's house. We took Rose a couple of baked sweet potatoes for supper.

We didn't stay long. I just wish I had taken a tablet with me to do writing.

Allen said at the first Jackson reunions he remembers that Uncle Tom Mahana was in charge of all the Barbequing. Goat + mutton. Mostly Goat. As Uncle Tom got too old to do a proper job. Uncle Harry Jackson took over the job of Barbequing at the reunions + that it finally came down to Allen Jackson to do all the barbequing at the Jackson reunions.

Allen said he can't remember his grandma - Cynthia Jane Ann Blankenship Jackson. He said he thought she died before he was born. Rose Lee said she thought she was buried beside Hugh Lee Lawson Jackson at Corn Hill Cemetery the Lutheran Cemetery at Walburg.

Allen said his oldest sister - Mary Cynthia Jackson was named for his grandma Cynthia Jane. But they all called her "Sis".

Allen + Rose said his sister Ruby Reynolds is not doing any
